## **CONDITIONS OF USE**

Any person accessing the website will have the status of User, and for any contribution of personal information must expressly consent and accept these legal conditions by notice or available check.

## **INTELLECTUAL PROPERTY**

The entire contents of the website, including the designs, logos, images, source code and texts, whatever their format, are property of the provider or have a license or authorization from the authors or of their legitimate owners for their use, and are protected by international laws and treaties in matters of intellectual property and, as the case may be, industrial.

The User must refrain from any act that contravenes the rights of industrial and intellectual property of the provider or third parties.

The user who illegally or fraudulently uses the designs, logos, photographs, source code or content and / or attempts in any way against the intellectual and industrial property rights of the web or the contents and services thereof, will be responsible for its acts.

## **RESPONSIBILITY OF THE USER**

The user agrees to make appropriate use of the services of the web and not to use them for any legally prohibited activity.

In particular, the user is obliged to:

Use the contents diligently, correctly and lawfully.

Do not make any false or fraudulent management.

Enter true data in the completion of forms and maintain the confidentiality of the data of your account and password, in the terms established in the Privacy Policy.

Not to attempt against intellectual and industrial property rights, in accordance with the provisions of the previous section.

#### **EXCLUSION OF PROVIDER RESPONSIBILITY**

The provider excludes any liability arising from:

The presence of viruses or other harmful elements that could damage the software or hardware of the users. The User has the availability of tools for the detection and disinfection of harmful computer programs.

The unavailability of the service or inability to access the website.

The correct functioning of the web page, although it will try to facilitate, to the extent of its possibilities, technical assistance to the affected person.

Modifications or changes that occur on the web, without prior notice, both its content, as its configuration or presentation.

The external links provided through the web. The page may include links that allow the user to access other pages, these links are unrelated to the provider, and is not responsible for the consequences that may result to the user accessing its content or services.

Comments made by users when this possibility is offered.

The lack of accuracy or relevance of the information offered on the page.

#### **DATA PROTECTION**

In relation to this matter, will be apply the conditions established in the Privacy policy.

#### **APPLICABLE LAW**

The legal texts that regulate this website (legal notice, privacy policy, cookies policy and general conditions) will be interpreted in accordance with Spanish legislation.
